

# **Money Academy Homework (Week 2)**

Begin gathering your financial data to help you in completing the Financial Snapshot:

- Pay statements
- Most recent credit bills
- Car loan information
- Mortgage information
- All debt statements

Complete the following:

- Have your money date
- Determine your existing budget
- Complete the Financial Snapshot
- Begin tracking your spending daily in a checkbook ledger or elsewhere

Purchase:

- 3 ring binder with pockets on front and back. It should fold flat
- 16 binder dividers with tabs and pockets and put them in the binder
- Label the dividers with the 13 categories on the Snapshot
- Bring the binder to class every week
